

Bromsgrove & District Amateur Radio Club.
Newsletter. 17.10.21

Club Nets.

These continue on Monday, Wednesday and Friday evenings. 7.30 local time. 145.400MHz FM. All welcome to join in.

From the Secretary.

May I propose that we are only open on Fridays: 3rd. 10th. & 17th. December reopening on Friday 7th. January 2023?

Why you ask?

Well the other two dates are 24th. & 31st. December when I would not expect many, if any, members to attend.

However, if there are any members who wish to open & use the shack on these two evenings they should feel free to do so. But lock up securely afterwards !!!

A reminder that the Club will be holding an EGM on Friday 29th October 2021 at 20.00hrs, Garden Room at Avoncroft to consider the proposed draft Club Constitution.

Members who attend should consider other members & to try to comply with Government Guidelines, by wearing masks during the EGM.

It is expected that both doors to the Garden Room will be open to allow a throughput of fresh air.

There will be a raffle on this evening to boost club funds.

John Storey G8SH,
B&DARC Secretary.
07759370544.

Poppy Appeal.

I will have the usual Poppy Stall at the club on Friday 29th. October – the same night as the EGM. This year, as part of a national trial I will be able to accept donations using a contactless machine, so you can donate using card or phone app methods.

Alan G4LVK.

For Sale.

I have a new black PELI style case with foam lid and foam base for sale.
Internal measurements are 43xm x 29cm x 12cm. I bought this to transport rigs to SES sites but was not used. £25.00

I have a couple more of these, HF rig sized in the loft that can be sold – ask if you are interested and I will pull them out.

Alan G4LVK.

Finally,

As always, any articles to me please before next Sunday. Remember this is YOUR newsletter.
